

COLLEGIATE GUARDIANS

OUR AIMS:

- ◆ To ensure every Overseas Student entrusted to us is placed with a welcoming and caring Guardian family for the length of their schooling in the UK
- ◆ To ensure that every Guardian family is legally, culturally and socially suitable to care for each individual child.
- ◆ To undertake all necessary procedures, in conjunction with the relevant authorities and to ensure that each child is cared for in a happy and safe environment whilst with the Guardian family
- ◆ To ensure that all financial and contractual obligations are met.
- ◆ To provide a constant contact point for children, parents and Guardians.
- ◆ Above all, to ensure that every child in the care of a Collegiate Guardian family feels secure and happy during time spent away from school and home.
